SEASON #12 (SUMMER 2005) RECAP:

The Phantoms would begin their 12th season at Rivertown Sports in grand style as the team would jump to a 4-1 record at the midway mark of the regular season. Yet, the second half of the season would not be too kind for the Yellow Shirts as the team would record a 2-3 record in the final five games of the regular season to close with a 6-4 record. Despite the record, the Phantoms would continue to advance to the post-season, a location that they have been to in 10 of the 12 seasons. During the opening round, the Phantoms would fall 7-5 to the Rough Riders, the team that would go on defeating Maly's in the finals to capture the championship. The Phantoms would continue to have trouble on the goaltending and defensive sides, as the goals against marks have been among the worst in the league during the past several seasons. The scoring department continues to be strong, as the Phantoms would close out the regular season as the best scoring machine in the 7-team circuit. The team would welcome the services of former Ground Zero member and Muskegon Community College player Scott Vandunk-Jar, would be one the main reasons the Phantoms would capture the scoring crown and advance to the play-offs. Overall, an average season for the Phantoms in the Copper league that has truly improved talent during the last year.
