SEASON #9 (FALL 2004) RECAP:

The seasons continue to roll by. With the Phantoms once again returning to the Copper League, the team was still trying to live up to the reputation that it established during the first eight seasons. The highly skilled roster and great team chemistry would propel the Phantoms to a third place finish during the regular season. The Phantoms would be apart of the strongest and most competitive Copper League in many years. During the play-offs, the Phantoms would tangle with the Regular Season Champion Maly's, however, the Phantoms would come up short losing 5-3. A great season nonetheless.
