**SEASON #6 (WINTER 2006) SEASON RECAP:**

After completely dominating the Copper leagues over the past 3 seasons, the Phantoms were forced into a higher division for the Winter 2003 season. For the first game in over a year, the Phantoms would be forced to take their game into Bronze. Could we survive in this higher league? That was a question that many on the team wondered. As the Phantoms began league action, the team surprised everyone's expectations as they tied the Plyforms 5-5 in their first game. This would be a huge burden off the back of the Phantoms, as the team proved they could compete with one of the best all-time teams at Rivertown Sports. During the 10 remaining regular season games, the Phantoms would compile a record of 7-3, ending the season with a 7-3-1. The Phantoms three losses would be handed by the Plyforms, Chief and the Rage. However, the Phantoms surpassed many expectations during the season, including a thrilling 7-6 victory over the Plyforms, to close the season-series at 1-1-1. The Phantoms would mark a statement in their own record books, as the team would capture its 50th Franchise Victory. This mark will be captured 24 seconds into Overtime, as Sean Wert skated in on a break-away to score against Creekside Gardens in the second-to-last regular season game. For the 5 time in 6 seasons, the Phantoms would be involved in the post-season. However, would face set-back to Creekside Gardens 3-2. Creekside would go on to defeat the Plyforms in the Finals and capture the championship for the Winter 2003 Bronze A season.
