2-11-20: LOCOMOTIVES UNBEATEN STREAK ENDS AT 21

All good things must come to an end at some time. But...WOW, what an absolutely amazing run it was. Dating back to last season, the Lakeside Locomotives were unbeaten in 21 games entering tonight's action against Port City Signs. In those 21 games, the Locomotives chugged their way to a 19-0-2 record with four wins against Port City, Beerly Legal and the Benders, three wins against Fetch, two wins against Bush League and Big Dekes and a single win against the Cocks ville Blockers and a tie against Fetch and Port City. Highlighting this great streak was three wins in the post-season last season to capture the team's first championship and an unbelievable start this season to keep the mojo continuing. The Locomotives, who are now in their sixth season at Lakeshore Sports Center, struggled with victories in 2014 and 2015 and have built off the previous season's lessons to become a consistent contender in 2018 and 2019. Credit for this great stretch goes to the players of last season and this season who have made adjustments as needed, adopted new styles of play, continue to embrace change, continue to learn from their teammates and continue to play a 'team brand' of hockey all across the ice. A defeat is never a happy thing, but what we as a group have accomplished since April 29th is a true testament of our pride, our skill and our fun-natured brand of hockey. An undefeated streak of 21 is very special and takes a lot of hard work. Thanks to everyone for your efforts, your support and your commitment to Locos Hockey. Guess we need to hit the dunes, lift those weights and start butterflying to get back on another 21-game tare.
