## Tiebreakers

In the event two or more teams are tied in points, the following tiebreaker rules will be applied to determine which team is ranked higher in the standings:

1. Fewer games played (i.e. higher point percentage).
2. Overall Wins (W): Team that has more total wins, regardless of how.
3. Goals Against (GA): Team with fewer goals against.
4. Penalty Minutes (PIM): Team with fewer accumulated penalty minutes.

...AND DEFENDING TUESDAY NIGHT LEAGUE CHAMPIONS!**

## LAKESIDE LOCOMOTIVES TOP FETCH BREWING 7-2 TO CAPTURE FIRST LEAGUE CHAMPIONSHIP

The Lakeside Locomotives were able to etch their name into the Lakeshore Sports Centre history books on May 21, 2019, as the team captured the franchise's first championship by downing Fetch Brewing 7-2 in the championship game. For the Locos, the fifth year team was able to use solid goal scoring with three goals in the opening frame, followed by a pair of strikes in each of the second and third periods to lift the squad to the championship victory. The Locos, who were forced to wear the alternate Phantom Yellow jerseys during the game due to conflict with the Fetch Brewing Black jerseys, were able

to keep the defending champion Fetch Brewing at bay for most of the game, as despite both team's exchanging a goal early in the opening period, the Locomotives would respond with the game's next four goals to take a 5-1 lead midway into the second period, a lead that the Locomotives would not relinquish. Late in the second period, Fetch would strike with their second goal of the game to narrow the Locomotive lead to 5-2, however, in the third period, the Lakeside crew would capitalize twice more to seal Fetch's fate and take claim to a 7-2 win. The Locomotives were powered by Zach Kinney and Ray Schelhas each with a pair of goals, while Matt Neiger, Matt Zehr and Trent Kik would stage singletons for the Locos. In addition to the five marksmen on the night, a total of seven players (Kinney, Schelhas, Neiger, Zehr, Kik, Anderson and DeBoer) would capture assists to complete a total team effort enroute to the league championship. The Locomotives completed the regular season in fifth place with a 8-12-2 record, while Fetch Brewing completed the regular season in third place with a 10-8-4 overall record. The Locomotives and Fetch completed the season series 3-3 against each other.

## NEIGER REFLECTS ON RUN

A key factor to our epic playoff run and 7-2 rout of Fetch was the fact I didn't (and still haven't) paid my league fee to Ray. I'd encourage you all to do the same next year so we can have another epic run. Hard to believe it's been 5 years. We started out as a band of misfits with some random Asian kid and have become a pretty damn good beer league hockey team. (Quick Matt Zehr impression "I bet if the Asian kid was still around AP would want to jerk him off on the bench"). More importantly we all become good friends and truly enjoy having a beer together. Looking forward to next season. I hope everyone enjoys the summer, I have another 30lbs to put on. #Cans4Cam #WeAretheChamps #NewJerseysin2019

## ROUGH START PAVES WAY TO GREAT FINISH FOR LOCOMOTIVES TO CAPTURE 'SHIP

Hard to believe just how far this Locos team has come in five years. From our first season back in 2013 where we struggled in a true beginner league, to now being coined 'League Champions' in a much higher skilled and highly competitive league, this group of guys has never given up and hasn't let a few loses or disappointed outcomes dampen our drive to continue competing. The atmosphere in the locker room since day one back in 2013 has always been fun and despite joking about having 'Runner's Up' t-shirts made, we now face the fact

of having 'Champions' t-shirts made. For five seasons, we have battled and have enhanced our skills in a growing and highly competitive league. That hard work and desire to become better has allowed us to grow season by season and finally today call ourselves Champions. We always remember our firsts. For myself, it was my first in-line championship at Rivertown Sports, my first ice championship at Walker Ice & Fitness and now my first Muskegon championship. I couldn't ask for a better group of guys to capture this Muskegon championship with. From a mix of Grand Rapids players to Muskegon players...the Locos have proven that we have what it takes to be among the league best. Some may call us the underdogs, but I feel we are a group of guys that know how to play as a team rather than individuals and a group of guys that learn, grow and excel from each other. We've Paid Our Dues...and now We Are The Champions!
