During the first five weeks of the season, everyone of these 10 teams were scheduled and played. Following five games, Cedar Rock decided to take the bottom 4 teams in the standings at that point (shown by a * in front of their name) and have compete against each other for the balance of the season. The top 6 teams would then battle each other.

Following the 10-game regular season, Cedar Rock told the Turkees (shown by a ^ in front of their name) that they would not be allowed to participate in the play-offs due to their skill.
